

GUIDING OUR PATH TO A
**BRIGHTER
FUTURE**

NCN'S TRACK RECORD OF SUCCESS

YOUR VOTE IS MAKING A DIFFERENCE – LET'S KEEP IT UP NCN!

Your votes over the past two decades have brought ongoing improvements for our Nehetho Nation. Each time we have gained lands and/or financial resources and increasing control over our lives. Each vote has enabled us to add to our portfolio of businesses, improve job opportunities, training and expand its revenues to benefit the community.

DID YOU KNOW?

In the early 1990's NCN was 100% dependent on federal government funding. By speaking up in the community and giving broad support to the initiatives Chief and Council has promoted, NCN now receives only about one-half of its funding from the government. The rest is from its own source revenues, and we continue to pursue opportunities to strengthen our Nation even more!

BUILDING ON OUR SUCCESSES FOR AN EVEN BETTER TOMORROW

The Constitution and self-government negotiations are intended to decrease dependence on the federal government and increase our revenues further, while making sure our TREATY and ABORIGINAL RIGHTS are protected and restored.
