Replacing the Indian Act

With the Nisichawayasihk Cree Nation
OTHASOWEWIN
CONSTITUTION

To summarize, what happens to the *Indian Act*, the Constitution alone is intended to replace up to 22 sections immediately with a further 15 being replaced through the Constitution and subsequent self-government negotiations and there are 5 provisions which NCN will want to retain (marked with an *). These will be discussed during self-government negotiations. The remainder will not apply due to the Aski-Pumenikewin land code.

Indian	D	2
Act Section	Description	Comment
